TERRY DALE JONES, JR.,)	
)	
Defendant.)	
_____)	

Before the court is Defendant Jones's Appeal from Magistrate Judge's Detention Order (#19), the Government's response to Defendant's appeal (#20), and Defendant's reply (#21). The court has conducted a de novo review of the evidence before the Magistrate and reaches its independent determination that the Magistrate Judge's findings are correct. The court finds by clear and convincing evidence that there is a serious risk that the Defendant will endanger the safety of another person or the community in the event he is not detained and that there is also a serious risk that the defendant will not appear. The court further finds that there are no conditions or combination of conditions of release that would reasonably assure the appearance of the Defendant at trial.

GOOD CAUSE APPEARING, Defendant Jones's Appeal from the Magistrate Judge's Detention Order (#19) is DENIED, and

IT IS ORDERED that the Defendant shall be detained pending trial.

DATED this 8th day of July, 2008.

UNITED STATES DISTRICT JUDGE
